## Perilous Trade Macskimming Roy

**of trade from the thralldom of the autocrats** - macskimming's 2003 *the perilous trade*, which deals with the period from the second world war to the present and has some information about textbook publishing derived from interviews. 28 **82 papers of the bibliographical society of canada 42/i** - unlike other crises in this "perilous trade" that he so expertly and passionately writes about, the book was rescued by mccllelland and stewart, canada's most celebrated publisher of the twentieth century, itself having weathered near bankruptcy at least three times. macskimming's long-awaited first book about the english-language publishing industry from 1990 to 2003 records the great moments ... **theportholeview:!**
